

What To Expect In 2009

I expect the Glory to shine in 2009.
I expect the impossible to happen.
I expect the increase of the Glory.
I expect God to move in ways I have never dreamed.

As I stand on John 16,
I expect the Holy Spirit to show me things to come.
I expect the Holy Spirit to lead me through
troubled times.
I expect to follow THE Plan to the place of victory.

As I listen to the Holy Spirit,
As I keep my eyes on the Word,
As I love God and love others,
As I stay clean from covetousness....

I expect to come into my wealthy place.
I expect Heaven in the midst of trouble.
I expect to reach untold numbers
of hurting people.

I expect the unexpected in 2009!
