

Student Leader Keys to Success SWBC EDITION

BE WILLING: We are willing in both attitude and action to be a servant, just like Jesus! We never pass up an opportunity to be helpful to those around us or underestimate a moment to love someone by serving them.

BE FAITHFUL: We are faithful to the commitment we've made to serve. This is accomplished in two ways.

- 1) When we are scheduled, we are faithful to show up and be on time.
- 2) We are faithful to our given assignments and the given expectations when we are serving. We are focused and not distracted by our phones, our friends, etc. And we stay in our area until dismissed by our team lead.

BE AN EXAMPLE: Our speech, actions and purpose always demonstrate the place that Jesus has both in us as individuals and as a youth group. As a Student Leader, we are living examples of what a life of Faith and Love in Jesus sounds, acts, and looks like to those we are serving and serving alongside.

"Don't let anyone think less of you because you are young. Be an example to all believers in what you say, in the way you live, in your love, your faith, and your purity."

1 Timothy 4:12

BE EXCITED: As a team we are so excited about not just the call and purpose of 14forty, but our church as well! But we never want to assume that our excitement is understood. We always maintain a high level of excitement and enthusiasm for what God is doing.
