“The dominating power and authority of My WORD is very plain and very obvious in the Scripture. I made certain statements calling things that be not as though they were. I said a virgin would give birth to a child in the city of Bethlehem. And My WORD dominated the heavens and the earth and peoples in the earth for over 700 years until that child was born in Bethlehem at the appointed time, by the appointed virgin, and the Son came into the earth at the exact proper time.

“I have spoken certain words over this nation. They will come to pass. They are coming to pass now,” saith The LORD. “And all of the things that satan has attempted to carry out in order to stop My voice in the earth has come to naught. For I said this gospel of the Kingdom shall be preached in all nations and then the end shall come, and not before. It’s coming to pass, and this nation is the cradle of that message. It has come out of this nation, the revelations and the changes that have taken place. And over the years and centuries that have gone by, I’ve called upon this nation to be My judgment arm. I’ve called on this nation to be My voice. I’ve called on this nation and many, many of your sons and daughters have answered My call and laid their lives on the line and I do not forget that.

“So hear, My people. Hear My voice. Yes. The door is open. Repent and come through it; for I have a plan, and it’s THE BLESSING plan, and it’s far greater than anything you have ever seen before. I have a new birth for this nation. I have planned a nation that, right at this moment, you really don’t have any concept of what it’s like. For think back to 1770, 1771, 1772, 1773 and a new nation was being born.

“But do you think that the men of that hour had any concept of what this nation would look like 100 years from that time? No. They had no idea. It had never happened before. Hear My words, America. I have a new nation in My heart and in My mind and you don’t know what it looks like. The door is open. Step through it and together we will bring a new nation on the earth, one nation under God that trusts in God. And there are those that would say, ‘How could that possibly come to pass?’ It can come to pass because I am God and I change not. And My plan has already been planned before the foundation of the world. And you listen to Me, and you walk with Me, and together we’ll see it come to pass.

“But for all of those who will turn their back on what I am doing now, you will be like those of old who get trapped in the desert, and your bones will fall in the desert, and you will not experience the greatness that I have in store. But I have a people. I have a people that have humbled themselves and have turned from their wicked ways, and I have more and more and more that are seeking My face. And I’ll tell you this: I’m easy to find. And I’ve raised up people throughout this nation and I have a people all over this earth who are praying for the United States in this very hour, who are holding this country up before Me because they realize they need this nation also.

“So these are the days of your deliverance. Rejoice, and be glad because I have given you your nation back. And the manifestation of its new birth is at hand. So rejoice and lift up your head and be of good cheer. Your sins are forgiven you.”
